

# What is Prosper?

Prosper is an innovative approach to **postdoc career development**, built around:

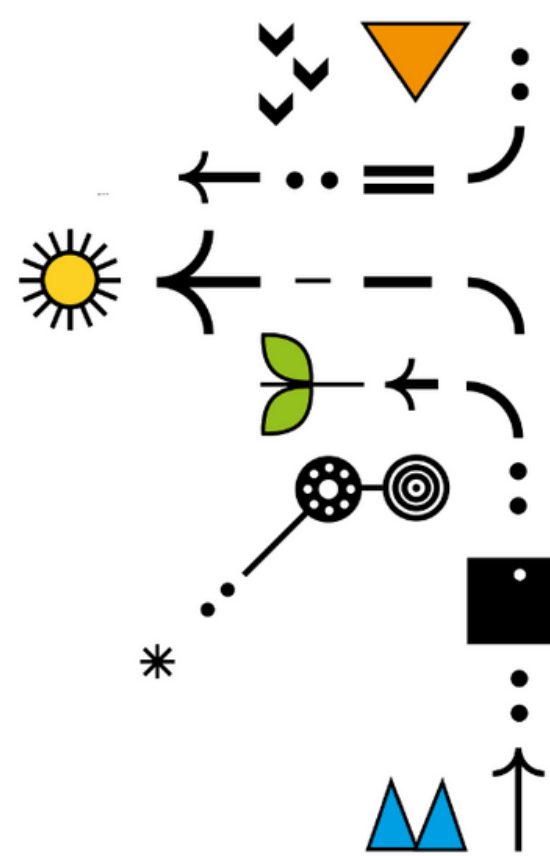

## CO-CREATION WITH EMPLOYERS

Providing postdocs with real-world insight from over 100 employers across 12 career clusters, equipping them to thrive across a wide range of career options within and beyond academia

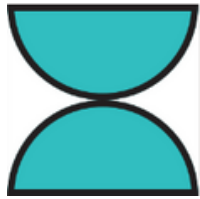

## RECOGNISING THE ROLE OF PRINCIPAL INVESTIGATORS

Empowering PIs to play a critical role in nurturing the career development of their postdoctoral researchers

# What resources are there for PIs?

PIs can engage with the Prosper model in the following ways:

Register to the **Prosper Portal** as a manager of researchers, where you can access the resources specifically tailored to the PI role

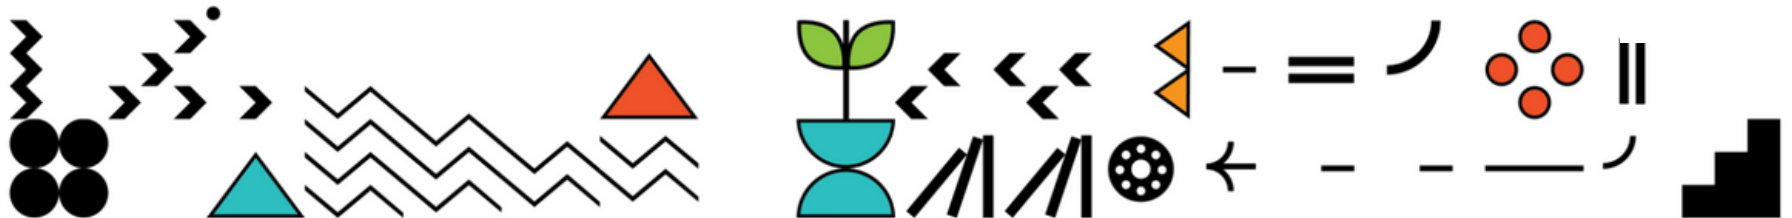

Become an active member of the growing cross-institutional **PI Network**. The PI Network hosts online events throughout the year, with themes which aim to enhance your skillset as a manager of researchers

# What are the benefits?

- Support your postdocs' career development
- Develop your own leadership and management skills
- Foster a positive and inclusive working environment
- Share best practice with peers and expand your own professional network via **The PI Network**
