Prosper's **Career Development Navigator** is a handy tool for navigating the Portal's resources, and finding the right information for you and your situation.

You can find the Navigator under the 'Postdocs' drop down menu at the top left of your page, or alternatively via your 'My Account' drop down at the top right.

Reflect tasks...

can align them with your
career choices.

- ☒ Decide if now is the right time to make a career change.
- ☒ Generate ideas for new careers, list as many possibilities as you can. Identify and overcome unhelpful thoughts that may be holding you back.

Add recommended tasks and
goals to your personal
development plan
